

How to Run a Leave Balance Report

1. Navigate to the Leave Balance Reports page within the Benefits area.
Click Main Menu > Benefits > Manage Leave Accruals > Leave Balance Reports

2. Click the Add a New Value tab.
3. Enter a Run Control ID. Name the report something unique that you will remember. You only need one Run Control ID for this report. There should be no spaces in the Run Control ID. Use () as a separator. As an example we entered the Run Control ID as Leave_Balance_Reports
4. Click the Add button.

NOTE: The next time you run a report you will use the default Find an Existing Value to search for your report. Do not click the Add a New Value tab unless you are setting up a new report template. Once you set up a template you cannot delete it.

5. In the Department field enter your sites 4 digit Department Number.
6. Click Save. (Only the first time you are setting up your report template.)
7. Click the Run button.
