To the Parent/Guardian of:

First Name Last Name

1234 Street Address

City, State, ZIP Code

Dear Parent/Guardian:

We are pleased to inform you that your child's application has been selected in the Choice lottery process for the 2024-25 school year based on the information that you submitted on the school choice application. A seat is available for your child at:

School	Seat Placement	Seat Status	Seat Acceptance Deadline
Rolando Park Elementary -> Grade K	4	Offered	03/19/2024

Please contact the school to verify acceptance within 21 days of notification. If you accept the offer of enrollment, you will receive enrollment procedure instructions from the school.

Note: Provide the following documentation at time of enrollment:

1. Proof of residence (utility bill, mortgage statement, rental agreement, etc.)
2. Child's birth certificate or other legal document for verification of name and date of birth
3. Immunization record that now includes the Tdap booster for all students in Grade 7-12
4. Current transcript or report card

If your child has been accepted to a Magnet or VEEP school, please note that bus transportation is not guaranteed. Minimum ridership and distance from school requirements apply. There may also be a charge for transportation. If your child has an IEP that includes transportation as a related service, it will only be provided to the neighborhood school or school of assignment by the Special Education Department. It will not be provided to a school of Choice. If you are relying on district transportation for your child, you may wish to consider enrollment in your neighborhood school.

In the event your child is accepted into a school that does not have a separate classroom setting as required by an IEP, the District may offer your child a different Choice school.

If you reside outside of the boundaries of SDUSD, an approved Interdistrict Attendance Permit (Form 341) will also be required before enrollment is finalized.

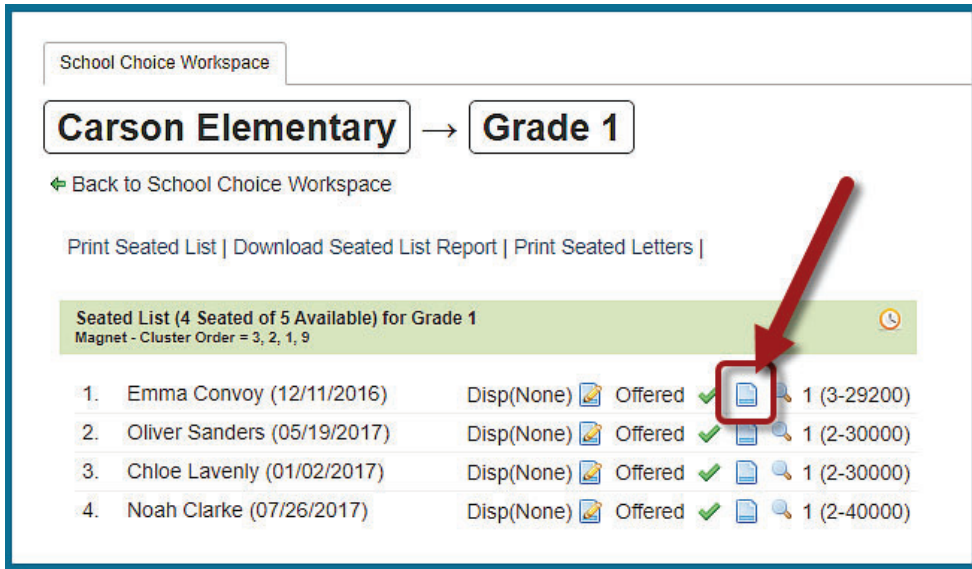

Please note that the deadline above is a firm deadline. Your child's seat will be offered to a waitlisted pupil if you do not contact the school to verify acceptance.

Thank you.

Update Student Status

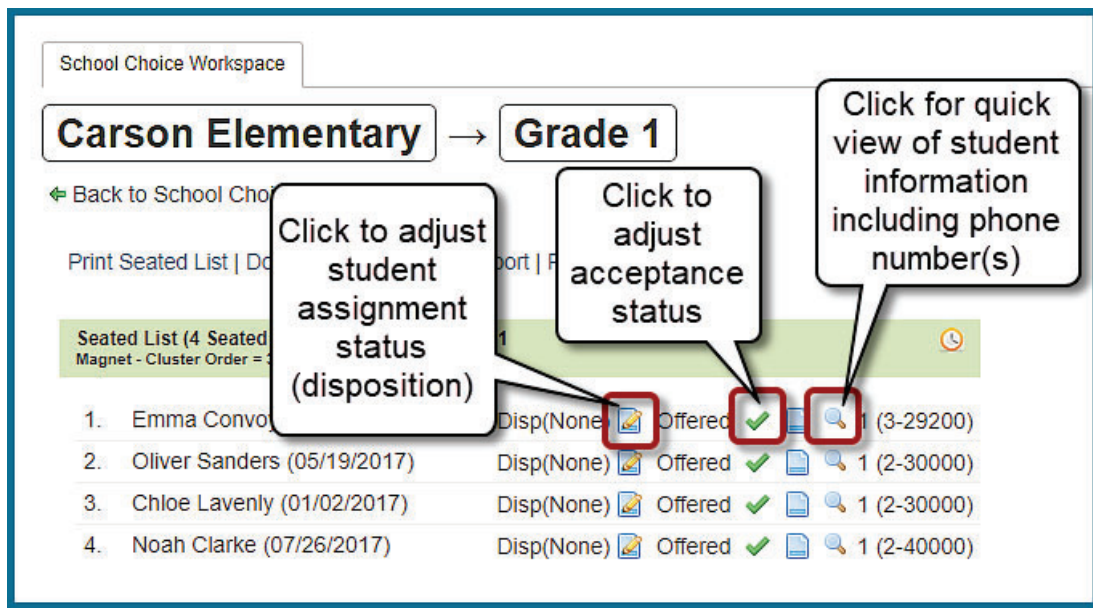

Required

School staff **must** keep a record of all Seated List contact dates and concurrently complete online status updates in the School Choice Workspace. Neighborhood Schools and Enrollment Options will monitor status data entered. Student's Assignment Status provides the central office with important information that may allow additional student placement at the school.

School sites **must** attempt to reach a parent/guardian to offer enrollment three times before updating a student status to "Unable to Reach." School sites are to log all attempts to reach students on their Seated List.

Contact NSEO with policy questions at (619)260-2410.

- From the Seated List view, you have access to multiple icons to manage the choice list.
 - Use the **paper/pencil icon** to adjust the **Student's Assignment Status**.

- **No Show**- Parent accepted offer and agreed to enroll student, but did not report to the office to complete paperwork as scheduled.

- **Unable to Reach**- Site has documented at least 3 attempted contacts by at least 2 different methods (phone, email, US mail), and parent has not responded. - **Duplicate App**- More than one application was submitted for student.

Important: Please refer to New Student and Enrollment Options office for deadline dates. It is important to keep the Student's Assignment Status updated.
