December 7, 2021 • Version 1.1

The Score Reports link in the PowerSchool Parent/Student Portal provides access to state assessment results for actively enrolled students. If you do not have a Parent Portal Account, contact your student's school to request an Access ID and Access Password to create a parent account.

1. Sign into the PowerSchool Parent/Student Portal <https://powerschool.sandi.net>
2. From the navigation menu, click  **Score Reports**.
3. On the Score Reports page click the **drop-down arrows** to select the **Assessment** and **School Year**. Optionally, leave default to **All** to display all reports available. Then click **Get Report**.

4. Click **View** next to the assessment results you want to see. The score report will open as a PDF in a new tab.
